

### HIGHLIGHTS:

- Compact dimensions for external wall installation with minimal space requirements.
- Heat recovery efficiency of up to 88% (according to the latest DIBt test procedure).
- Convenient control, compatible with extract air systems for combined ventilation operation.
- Easy commissioning by connecting the control unit to a PC or laptop.
- Multiple award-winning design, perfectly matching Helios extract air solutions ELS and MiniVent M1.

#### System example: 1-room apartment
